WRITTEN ANSWERS TO QUESTIONS

Review of Employment Generating Schemes

*301. SHRI BHAGADAN MAJHI: Will the Minister of LABOUR be pleased to state:

(a) whether Government have reviewed the schemes which have generated employment during the last three years;

(b) if so, what are those schemes implemented in different States during the above period;

(c) to what extent those schemes have generated employment; and

(d) the details thereof?

THE MINISTER OF LABOUR (SHRI G. VENKAT SWAMY) (a) and (b) Employment Generation Schemes are reviewed from time to time by the Administrative Ministries implementing them. Some of the important employment generating schemes implemented in different States during the last three years are as under:—

(i) *Integrated Rural Development Programme (IRDP):* Under this Programme financial assistance is provided to identified rural poor families living below the poverty line through a mix of governmental subsidy and soft bank loans to acquire income generating assests so as to enable them to cross the poverty line.

'(H) *Nehru Rozgar Yojana (NRY):* The objective of this scheme, which has been under implementation since October, 1989, is to provide self-employment and wage employ-

ment opportunities to urban poor living below poverty line. It consists of three schemes namely the Scheme of Urban Micro Enterprises (SUME) aimed at skill upgradation and provision of subsidy and loan to urban poor beneficiaries with the objective of setting up a micro enterprises, the Scheme of Urban Wage Employment (SUWE) aimed at provision of wage labour to urban poor beneficiaries through construction of economically and socially useful public assets, and the Scheme of Housing and Shelter Upgradation (SHASU) seeking training in construction trades as well as a subsidy and loan from HUDCO.

(iii) *Prime Ministers Rozgar Yojana (PMRY):* This scheme aims at setting up of seven lakh micro enterprises through industries, service and business routes in the last 4 years of 8th Plan.

(iv) *Jawhar Rozgar Yojana (JRY):* The objective of this Scheme is to generate additional gainful employment for tho unemplyyed and under-employed persons in the rural areas in the country.

(v) *Employment Assurance Scheme (EAS):* This Scheme provides assured employment of 100 days of unskilled manual work to the rural poor over 18 years and below 60 years of age. The Scheme is being implemented in 2475 backward blocks of the country situated in drought prone, desert and hilly areas.

(c) and (d) According to the estimates of Planning Commission additional employment opportunities of the order of 18.78 million are estimated to have been generated in the economy during first three years of the 8th Plan implying an annual average growth rate of 2.03% or an average annual increase of 6.26 million employment opportunities.

The position regarding employment generation under various Schemes and the loans disbursed for poverty alleviation and acquiring of income generating assets to poor families living below the poverty line is as under:
